

"Safety day, a day to remember"

If you organize a safety day for your organization or in combination with other companies, do not hesitate to consult our customized offer.

We organize your safety day as you wish "à la carte blanche ".

Would you like a half or full day with workshops, initiations or master classes incl. Guest speakers and comedy? Or would you like to combine this with a team building activity or a meal on location? If you wish to organize this within your company or at an external location, everything is possible. We are happy to help you with the elaboration of this event.

Inquire without obligation about the possibilities and conditions.
